

EXCURSIONS POLICY

Purpose

Excursions are seen as an integral part of the school curriculum as they enable students to explore, extend and enrich their learning and their social skills development, in a non-school setting. Excursions complement, and are an important aspect of the educational programs offered at the school. An excursion is defined as any activity beyond the school grounds.

Aims

- To reinforce, complement and extend the learning opportunities beyond the classroom.
- To develop an understanding that learning is not limited to school, and that valuable and powerful learning takes place in the real world.
- To provide a safe, secure learning experience for students in a venue external to the school.
- To further develop social skills such as cooperation, tolerance, communication, individual and group interaction.
- To further develop problem solving and life survival skills.
- To extend understanding of their physical and cultural environment.

Implementation

- All excursions must be approved by the Principal or their nominee.
- Staff wishing to organize an excursion must complete an excursion proposal form and lodge this for approval. All excursions must be approved prior to running. Where an excursion proposal has not been submitted, that excursion will not run, unless special circumstances are pending. This decision will be made by the Principal or his/her nominee. The Principal or their nominee will consider the educational outcome of the excursion as well as the impact on the school for the proposed date.

- The Principal or their nominee will ensure that all excursions, transport arrangements, emergency procedures and staffing comply with DEECD guidelines. Refer to: [DEECD Excursion Policy](#)
- Once the excursion has been approved all relevant documentation must be completed. The *Teacher In Charge* of the excursion, will complete the 'Notification of School Activity' at : www.eduweb.vic.gov.au/forms/school/sal/enteractivity.asp three weeks prior to the excursion departure date, and ensure relevant details are entered on the staff whiteboard.
- School Council is responsible for the approval of:
 - Overnight excursions

Arrangements for payments

- All efforts will be made not to exclude students simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend an excursion, are invited to discuss alternative arrangements with the principal or classroom teacher. Decisions relating to alternative payment arrangements will be made by the Business Manager in consultation with the appropriate staff, on an individual basis.
- All families will be given sufficient time to make payments for excursions. Parents will be provided with permission forms and excursion information clearly stating payment finalization dates. Children whose payment have not been finalized at least 24 hours prior to the departure date will not be allowed to attend unless alternative payment arrangements have been organized with the Business Manager.

Teacher Responsibilities:

- The Teacher in Charge must provide the General Office with a final student list.
- In the case where an excursion involves a particular class or year level group, the organizing teacher will ensure that there is an alternative program available for those students not attending the excursion.
- All students must have returned a signed permission note and payment to be able to attend the excursion. Copies of completed permission notes and medical information must be carried by excursion staff at all times.

- Only students that have displayed sensible, reliable behaviour at school will be permitted to participate in school excursions. Parents will be notified if their child is in danger of losing the privilege to participate in an excursion due to poor behaviour at school. The decision to exclude a student will be made by the Principal or Assistant Principal, in consultation with the organizing teacher. Both the parent and the student will be informed of this decision prior to the excursion.
- Disciplinary measures apply to students on camps and excursions consistent with the Student Engagement Policy. In extreme cases the camp or excursion staff, following consultation with, and the approval of, the principal or their nominee, may determine that a student should return home during a camp or excursion.

In such circumstances, the parent/carer will be advised:

- of the circumstance associated with the decision to send the student home
- of the time when the parents/carers may collect their child from the camp or excursion
- On days of extreme fire danger or total fire ban, the principal or their nominee may need to cancel an excursion at short notice. Where an excursion is not cancelled, special fire safety precautions will be implemented. **In any event Risk Assessment documentation must be completed prior to approval.**
