

## Student Engagement and Wellbeing

### *Purpose*

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Hurstbridge Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture, where student participation is encouraged and valued, helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

### *Scope*

This policy applies to all school activities, including camps and excursions.

### *Contents*

1. School profile
2. School values, philosophy and vision
3. Wellbeing and engagement strategies
4. Identifying students in need of support
5. Student rights and responsibilities
6. Student behavioural expectations
7. Engaging with families
8. Evaluation

### **POLICY**

1. School profile

Hurstbridge Primary is a friendly, happy and caring school community that values diversity, curiosity respect and balance. We provide a safe supportive learning environment, which focuses on the individual child and their learning needs. Wide, open spaces provide students with varied

opportunities for social interaction and play choices. At HPS, we value each child as an individual and understand that education occurs beyond the curriculum, so we undertake to cater for their social, emotional and academic needs. We provide our students with a diverse curriculum catering for varied talents, abilities and learning styles. We are proud of our community links and the many opportunities students have to be engaged, curious and proactive in their learning.

#### WHAT WE BELIEVE

- All children should develop the skills to become global citizens and life long learners.
- Learning is continuous for all of the school community and we actively encourage a learning partnership between parents, teachers and the students.
- Children have the right to learn in a safe and inclusive environment in which they have opportunities and strive to become confident risk takers.

#### WHAT WE WILL DO

- We will deliver an engaging, well-balanced education based on the Victorian Curriculum.
- We will foster a positive approach to learning in a supportive and encouraging environment.
- Using explicit programs and collaboration, we will develop the skills required for our community to be resilient, confident and independent.
- We will engage staff and students by delivering an enriched learning program, assuring that they experience success and develop a sense of belonging and satisfaction.

#### VALUES

In consultation with students, staff and parents the following values were created for Hurstbridge Primary School:

- Respect
- Diversity
- Curiosity
- Balance

Students were asked what the values mean to them, and this information was shared with everyone. The information is on posters in every classroom around the school.

- Respect is how you feel about someone and how you treat someone.
- Diversity is understanding and accepting differences.
- Curiosity is wanting to know more about someone or something.
- Balance is keeping things fair and reasonable.

Values posters are displayed around the school that also demonstrate how these values will be shown in various sections of the school.

2. Wellbeing and engagement strategies
  - high and consistent expectations of all staff, students and parents/carers
  - prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
  - creating a culture that is inclusive, engaging and supportive
  - welcoming all parents/carers and being responsive to them as partners in learning
  - analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data
  - teachers at Hurstbridge Primary School use an instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons
  - teachers at Hurstbridge Primary School adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching
  - our school's Values are incorporated into our curriculum and promoted to students, staff and parents/carers so that they are shared and celebrated as the foundation of our school community
  - carefully planned transition programs to support students moving into different stages of their schooling
  - positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents/carers
  - monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level
  - students have the opportunity to contribute to and provide feedback on decisions about school operations through the Year 6 Leadership Team and the Student Representative Council. Students are also encouraged to speak with their teachers, Assistant Principal and Principal whenever they have any questions or concerns
  - create opportunities for cross—age connections amongst students through extra-curricular activities
  - we engage in school wide positive behaviour support with our staff and students
  - we engage in restorative practices
  - programs, incursions and excursions developed to address issue specific behaviour when needed (i.e. anger management programs)
  - opportunities for student inclusion (i.e. sports teams, recess and lunchtime activities, library program)
  - buddy programs

- all students are welcome to self-refer to the Assistant Principal and Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an 'open door' policy where students and staff are partners in learning
- we engage in school wide positive behaviour support with our staff and students, which includes programs such as:
  - Respectful Relationships
- measures are in place to empower our school community to identify, report and address inappropriate and harmful behaviours such as racism, homophobia and other forms of discrimination or harassment.

#### Targeted

- each class has a teacher who will monitor the health and wellbeing of their students, and act as a point of contact for students who may need additional support
- Koorie students are supported to engage fully in their education, in a positive learning environment that understands and appreciates the strength of Aboriginal and Torres Strait Islander culture
- our English as a second language students are supported, and all cultural and linguistically diverse students are supported to feel safe and included in our school, staff regularly participate in training and professional development to address individual needs of each and every child.
- we support learning and wellbeing outcomes of students from refugee background
- we provide a positive and respectful learning environment for our students who identify as LGBTIQ+ and follow the Department's policies
- all students in Out of Home Care are supported in accordance with the Department's policy on [Supporting Students in Out-of-Home Care](#) including being appointed a Learning Mentor, having an Individual Learning Plan and a Student Support Group (SSG) and being referred to Student Support Services for an Educational Needs Assessment
- students with a disability are supported to be able to engage fully in their learning and school activities in accordance with the Department's policy on [Students with Disability](#), such as through reasonable adjustments to support access to learning programs, consultation with families and where required, student support groups and individual education plans
- wellbeing and health staff will undertake health promotion and social skills development in response to needs identified by student wellbeing data, classroom teachers or other school staff when needed
- staff will apply a trauma-informed approach to working with students who have experienced trauma

#### Individual

- Regular Student Support Groups and an encouragement from all staff of open communication with parents/carers regarding any wellbeing or engagement issues

- Hurstbridge Primary School will contact families and inform of a serious incident on the day of the incident
- Individual Learning Plans and Behaviour Support Plans
- Regular SSGs and contact with parents/carers of at risk students and a combined implementation of strategies to support the student
- Program for Students with Disabilities
- Teachers will refer to Assistant Principal or Principal who will discuss specific strategies with Student Support Services when necessary
- Staff to support parents/carers in referring students to various services either through the education department or privately
- Hurstbridge Primary School will issue consequences and restorative practices in collaboration with the family where necessary

Where necessary Hurstbridge Primary School will support the student's family to engage by:

- being responsive and sensitive to changes in the student's circumstances and health and wellbeing
- collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student
- monitoring individual student attendance and developing an Attendance Improvement Plan in collaboration with the student and their family
- engaging with our regional Koorie Engagement Support Officers
- running regular Student Support Group meetings for all students:
  - with a disability
  - in Out of Home Care
  - koorie
  - and with other complex needs that require ongoing support and monitoring.

### 3. Identifying students in need of support

Hurstbridge Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. All staff are led by Principal class to play a significant role in developing and implementing strategies to help identify students in need of support and enhance student wellbeing. Hurstbridge Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled
- attendance records
- academic performance

- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- attendance, detention and suspension data
- engagement with families
- self-referrals or referrals from peers.

#### 4. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Values highlight the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, racism, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team. Further information about raising a complaint or concern is available in our Complaints Policy.

#### 5. Student behavioural expectations and management

Behavioural expectations of students are grounded in our school's Values.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Hurstbridge Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Assistant Principal or Principal
- restorative practices
- detentions
- behaviour support and intervention meetings
- suspension
- expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training.

The Principal of Hurstbridge Primary School is responsible for ensuring all suspensions and expulsions are recorded.

Corporal punishment is prohibited by law and will not be used in any circumstance at our school.

#### 6. Engaging with families

Hurstbridge Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website
- maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy.
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, and developing individual plans for students.

#### 7. Evaluation

Hurstbridge Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21, including attendance and absence data
- COMPASS
- SOCS

Hurstbridge Primary School will also regularly monitor available data dashboards to ensure any wellbeing or engagement issues are acted upon in a timely manner and any intervention occurs as soon as possible.

#### COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Included in staff induction processes
- Included in transition and enrolment packs

Our school will also ensure it follows the mandatory parent/carer notification requirements with respect to suspensions and expulsions outlined in the Department's policies at:

- [Suspension process](#)
- [Expulsions - Decision](#)
